A dynamic software and web development company that brings the warmth and delight of toast into the world of digital experiences. I, a dedicated developer and designer crafts innovative solutions that are as comforting as a warm slice of toast. I pride myself on delivering exceptional user experiences and visually appealing designs inspired by the aesthetics of toast. Whether it be a dynamic website, or interactive GUI

Sensible IT Solutions
IT Assistant
July 2022 - July 2022 (1 month)
Carlisle, England, United Kingdom

Work experience in the Information Technology sector, helping with client issues, server maintenance, and network organisation, both in house and client location work in various industries, from retail to education.
